Beth,

I recommend having the applicant revise and sign the letter, then send to us for signature, then send it back to the applicant so they can forward a copy to the California Office of Planning and Research (OPR) to fulfill in part their AB900 requirements with OPR.

Beth,

Given counsel's response, please let me know if I should instruct the applicant to prepare and sign a clean copy of the revised letter, and return to PDS for the Director's signature.
